Subject: Proposed Rule: Legal Expense Fund Regulation (RIN 3209-AA50)
Date: Thursday, June 16, 2022 10:35:27 PM

I'm writing to oppose the proposed rule (Proposed Rule: Legal Expense Fund Regulation (RIN 3209-AA50). I think the following changes should be made:
1) Make compliance mandatory, not optional (This is the BARE MINIMUM change that should be made.)
2) Strengthen the rule to set a 5 year recusal period for people with substantial interests;
3) Allow 501(c)(3) orgs to hire legal counsel for whistleblowers.
4) It goes without saying that the examples about the sexual harasser are offensive and should be replaced

Thank you for your attention,
