Subject: Proposed Rule: Legal Expense Fund Regulation (RIN 3209-AA50)
Date: Thursday, June 16, 2022 4:19:30 PM

If it's optional, then there's not really any point in even making the rule in the first place, yeah? If you're going through all this trouble, you might as well have it... actually change literally anything. Compliance with the regulation should be mandatory.
