Subject: Proposed Rule: Legal Expense Fund Regulation (RIN3209-AA50)
Date: Thursday, June 16, 2022 11:56:28 PM

I agree that there should be a rule around legal expense funds, but I oppose OGE's proposed legal expense fund regulation as drafted. OGE should remove the exception that makes compliance with the regulation optional, and replace the proposed recusal requirement with a broader 5-year requirement that prevents donors of cash gifts from influencing decisions, polities, or regulations affecting them or the industries in which they have substantial interests.

Thank you,
Melissa
