I'm writing to oppose your proposed rule (Proposed Rule: Legal Expense Fund Regulation (RIN 3209-AA50).

I think:
1) you should make compliance mandatory, not optional;
2) beef up your rule to set a 5 year recusal period for people with substantial interests;
3) delete the offensive examples involving a sexual harasser;
4) allow 501(c)(3) orgs to hire legal counsel for whistleblowers.

Thank you for listening.
